LITERACY, LANGUAGE & COMMUNICATION

As Literacy Legends, we will begin by revising our **Powerful Punctuation** and writing skills through text such as Mathilda.

Our Thrilling Theme this term is **Blood Bones and Body Bits** and this will give us opportunities to write for a range of purposes. The children will have an influence on the types of writing they will complete - watch this space!

We will continue to develop a range of **reading skills** during our **Reading Roundabout** sessions too!

Children also be applying a range of speaking and listening skills during our Literacy Legend missions.

MATHS & NUMERACY

As Numeracy Ninjas we will continue to use our **Fluency, Reasoning and Problem Solving** approach.

Our learning will kick start with **'Powerful Place Value'** where we will:

- Read, write and compare numbers
- Partition, compare and order numbers

We will then move our focus onto enhancing our **addition and subtraction skills.**

We will continue to learn a range of **core number skills** during our **Big Maths** sessions too!

Children also be applying a range of data handling and measure skills during our Numeracy Ninja missions.

PE FITNESS FRIDAYS
