

Our theme this week is called 'Season of Plenty'

This week the children will be focusing on seasons, particularly the season of Autumn. The children will use their senses to explore the physical world and observe the changes that occur at this time of year.

The children will be:

- Learning about the changes in the weather, plants and animals during the season of Autumn.
- Going on an Autumn walk in the forest and around the school grounds to look for Autumn objects.
- Learning to find out 'which number comes next?'
- Listening to songs and stories about Autumn
- Practicing the words "the" "he" "she"
- Using Autumn materials in our artwork
- Practising our letter and number formation

Home Learning

Please continue to support our learning by practising writing your child's name at home. Any practise with letter and number formation will be beneficial!

We would love to see anything you complete at home. You can share it with us by uploading a photo to your Class Dojo Portfolio.
