

Our theme this week is called
'Head to Toe'

Oakfield Values

We will again be promoting our school values which will be chosen by the children and staff. It would be helpful if you could regularly discuss these at home with your child. For the next couple of weeks our values focus will be:-

Perseverance- Reach for the stars!

On their learning journey this week the children will be learning about their body. Including functions of the brain, heart, lungs, muscles and bones.

This week the children will be:

- Learning the parts of the body.
- Investigating how our body works & how to keep healthy
- Singing head, shoulders, knees and toes in English and in Welsh.
- Learning & identifying initial letter sounds wor words starting with s, a, t, i, p, n
- Practising letter and number formation
- Making artwork using different materials

Home Learning

Please continue to practise recognising and writing your name at home. Remember to hold the pencil and form letters correctly. We are also working on writing and recognising our numbers to 10.

We would love to see anything "Space Themed" you complete at home. You can share it with us by uploading a photo to your Class Dojo Portfolio.

Sign of the Week

At Oakfield we encourage all children to learn Makaton signs to help with communication. Please help your child learn these signs at home. This week we are learning to say:

thank you

Dates for Diaries- This week...

-Wednesday 11th October: Flu Vaccination nasal spray <https://forms.office.com/e/qZB4DgXvua>

-Thursday 12th October: Individual school photographs
