### Toys

We kindly ask that children do not bring toys from home into Nursery. Personal toys can easily become lost or damaged, and they can sometimes cause other children to feel unsettled.

We fully understand that some of our new children may need a familiar comfort item to support their transition into Nursery. In these cases, we are happy to make reasonable exceptions while they settle in. However, we ask that, wherever possible, children leave their own toys at home.

Thank you for your support in helping us maintain a calm, safe and happy environment for all our children.

This week, we are wishing a very
