

Year 5

Autumn Term 1

Curriculum News

Our theme this half term is:

Blood, Bones & Body Bits!

General Information

Welcome to Year 5!

- We will start our year with our Cynefin Fortnight.
- Then we will be launching into our topic Blood, Bones and Body bits where we will be learning about the different functions of our body and how to take care of it.
- We will be taking part in Bikeability training to improve our cycling skills and our knowledge of road safety.

LLC

- **Focus writing:** Information Text - Non-chronological report
- **Skills:** Present tense, third-person, facts, connectives, some subject specific language, rhetorical questions, adverbials

- Add and subtract numbers with more than four digits
- Multi step addition and subtraction problems
- Inverse operations (addition and subtraction)

Health and Wellbeing

- **Games:** Practice ball skills, coordination, agility, and reactions through fun activities and competitions.
- **Personal:** Welcome others, face challenges and set goals.
- **Community:** Help improve school, respect rights, and support everyone's learning.

PE lessons will be on a Thursday this term.

Science and Technology

IT

We will use VR headsets to explore the human body and see how organs and systems work.

Science

In Science, we will learn about the circulatory system, the respiratory system and how different lifestyles affect our bodies, and how nutrients and water are transported.

Expressive Arts

This term we will be creating artwork based on the body.

Humanities

As part of our Cynefin fortnight pupils will develop an understanding of people, places, societies and the world around them, while exploring how our past, culture and experiences influence who we are.

Home learning

- Practise your reading, spelling, and times tables each week.
- Create your own large numbers and break them into parts.
- Make a list of things that help you feel better when you're upset.
- Find a short mindfulness or breathing exercise online and try it.
- Write a glossary of key topic words with their meanings.
- Prepare a short presentation about your religion and what it means to you.
