

We will again be promoting our school values which will be chosen by the children and staff. It would be helpful if you could regularly discuss these at home with your child.

Rio in 4D received a medal for trying his hardest in class this weekend in Judo. It's the second one he has received. In an interview with Rio, he said "It's so much fun. We get to play games at the end too. It's nice to spend time with my friends there.

They teach me how to do throws safely and hold downs." Ardderchog Rio. What a true superstar!

In a world
where you can
be anything,
be kind.

Any lateness is disruptive to both the individual child and other members of class. It takes staff away from the support of other children. Regular 'early' end of day collections also take staff away from the learning time of other children.

Please try to refrain from early collections and late drop offs. The School Attendance Officer (SAO) will continue to support families, so if you have any questions on any attendance matters, please do not hesitate to contact the school office for support and advice.
